Bullying Survey—Staff

Read the statements concerning bullying at school, and respond based on your
perception and/or direct knowledge as a staff member. Please answer the
juestions using the following definition.

Date Administered	

Bullying is the repeated, negative behaviors between one or more individuals together with aggression or intentional harm (physical or emotional). Incidents of bullying include an imbalance of power between perpetrator (the bully) and the victim. The imbalance of power may be in one or more of the following areas:

fol	lowing areas:				
	Social power Financial power Physical power			nletic power ellectual power	
Ciı	cle the one that app	olies
